### PROFILE

As a child I loved building something from scratch with Legos. Today I find myself doing just that on a larger scale. With a track record of consistently delivering high-quality projects on time and exceeding expectations, I'm excited to bring that same commitment to creating exceptional end-products to your team.

### SKILLS

**FRONT END:** DOM, APIs, etc.

**BACK END:** Node.js, Express.js, User Authentication, OAuth, etc.

**DATABASES:** MySQL, Mongo

**TESTING:** Jest, Enzyme, Cypress, Mocha/Chai

**TOOLS:** Heroku, GitHub, Webpack

### EXPERIENCE

#### Senior Bilingual Data Coordinator | GS1

Oct 2021 - TORONTO, ON, CA

- Spearheaded the development of innovative systems, optimized independent website, and created tools to elevate overall efficiency and functionality.
- Supervised training of new hires, providing guidance and maximizing proficiency within the team.
