PROFILE

As a child I loved building something from scratch with legos. Today I find myself doing just that on a larger scale. With a track record of consistently delivering high-quality projects on time and exceeding expectations, I'm excited to bring that same commitment to creating exceptional end-products to your team.

SKILLS

FRONT END: HTML5, CSS, JS, React.js, DOM, APIs, Ruby, etc

BACK END: Node.js, Express.js, Ruby, Python, APIs, User Authentication, OAuth, etc
